

Total Sales for Employees

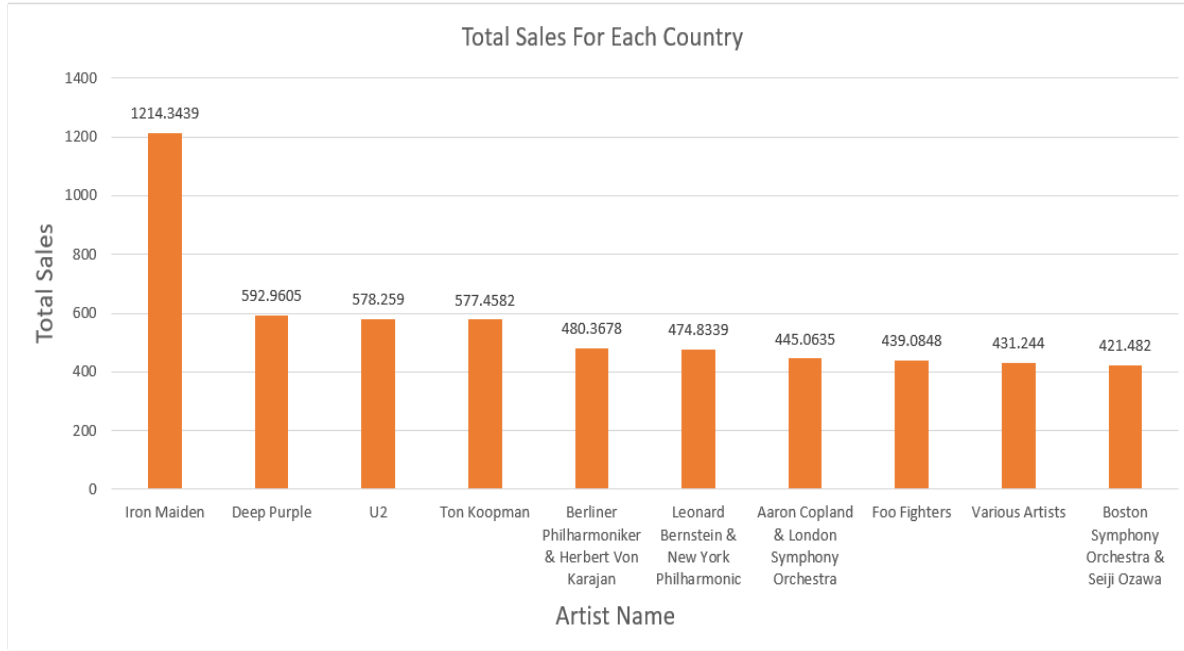

From this picture, we can see that the best employee is Jane Peacock. The date of employment was not influential because the first bill was in 2009, while the three employees were hired in 2003 and 2002.

Total Sales for each country

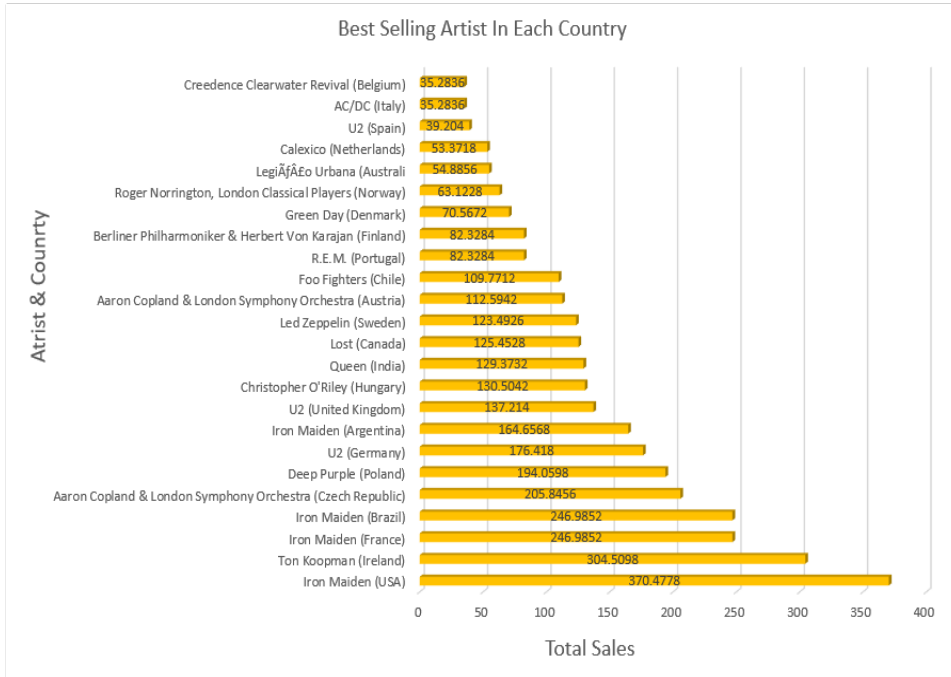

We can note that North American countries have the highest sales, while some European countries such as Belgium and Spain are not. This may be due to a lack of marketing, but we have no evidence to prove or deny this.

Total Sales for each Artist

Artist Iron Maiden has generated twice as many sales as every other artist. While the rest of the artists have roughly the same amount.

Most Artist sales for each Country

We note that Artist Iron Maiden is spread in more than one country. While artist U2 is spread in Europe.
